

Haflinger World Show

June 3rd – 6h, 2021 | Fohlenhof Ebbs | #HWA2021

Fohlenhof Ebbs, March 25th, 2020

Dear ladies and gentlemen,

Dear participants, visitors and Haflinger friends!

In order to comply with the applicable Corona preventive law, we have to announce after consulting the responsible authorities and clarification of some organizational details that the Haflinger World Show 2020 has to be postponed.

In addition of all official requirements, it could not be ensured that Haflinger breeders or visitors from even neighbouring countries, up to other European countries or even overseas could join us. This would not be a Haflinger World Show we all are looking for.

Now more than ever, we cordially invite you to our new date:

***7. Haflinger World Show 2021
June 3rd – 6th, 2021 Fohlenhof Ebbs / Tirol / Austria***

In order to facilitate the administration and technical handling of the postponement for the Haflinger World Show 2021, the following measures must be observed:

- ❁ All entries of the Haflinger horses will be cancelled. The entry fees already paid will be transferred back.
- ❁ All purchased tickets (shop or Webshop) remain fully valid in category and under the same conditions for 2021.
- ❁ Registrations for a participation in the international Haflinger Show will be cancelled, but can be submitted already again for the new date in 2021.
- ❁ Registrations for exhibitor stands will be cancelled. All previously registered exhibitors will receive a new booking form for 2021 to confirm the new date.
- ❁ In case of changing or cancelling the booking of your accommodation, please contact your accommodation directly.

As a responsible organizer of such a large event as the Haflinger World Show, we ask for your understanding, but the health of all people involved has our highest priority.

Further information and the most asked questions (FAQ) you'll find always updated on our website. Furthermore we'd like to invite you to an informational event, which will be part of the traditional foal auction weekend from September 26 to 27, 2020 at the Fohlenhof Ebbs. Here we'll answer/address all open questions to the Haflinger World Show 2021 and a new totally different Haflinger book created as part of a EUREGIO project will be presented.

We thank you for your understanding and are already looking forward to welcoming you to the 7th Haflinger World Show, June 3rd – 6th, 2021 at the Fohlenhof in Ebbs.
